

NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rule-making information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

NOTICE OF PUBLIC INFORMATION

OFFICE OF THE SECRETARY OF STATE CORRECTION

[M12-237]

1. **Name of the agency:** Industrial Commission of Arizona
2. **Title and its heading:** 20, Commerce, Financial Institutions, and Insurance
- Chapter and its heading:** 5, Industrial Commission of Arizona
- Articles and headings:** 6, Occupational Safety and Health Standards
- Section numbers:** R20-5-601, R20-5-602

3. **The public information relating to the listed Sections:**

A Notice of Final Rulemaking filed with our office was published in the *Arizona Administrative Register* with an incorrect effective date. This was due to a clerical error. The Final Rulemaking was published at 18 A.A.R. 1492, June 29, 2012 (Issue 26). The office file number assigned to this rulemaking is R12-101.

Instead of an effective date of August 7, 2012, as indicated in the *Register*, the effective date for this filing is actually August 5, 2012, because the package was officially filed in our office on June 6, 2012 (60 days from June 6 yields an August 5 effective date).

4. **The name, address, and telephone number of agency personnel to whom questions and comment on this correction may be addressed:**
